Complaint

Case: 1:19-cv-01559
Assigned To : Unassigned
Assign. Date : 5/28/2019
Description: Pro Se General (F-DECK)

I, Kimberly Bernice Brown, am Filing a complaint against the National Basketball Association For personal injury (pain and suffering, emotional distress) negligence, wrongful termination (discipline right after Filing a complaint), defamation. I am a credible writer and producer who presented a television project to the NBA about Female basketball athletes.

Shortly after the agreement with the NBA, one of the cast members also known as "Talent" Tamera Young showcased immense romantic interest in myself which made the environment uncomfortable for myself and other parties involved. Upon expressing my discomfort to the NBA I was immediately removed and dismissed (terminated) from my agreement with the NBA WITHOUT reason. In an effort to continue with the project I created as a Independent Producer, I selected other "talent" to feature the show. During this stage Tamera Young openly engaged in stalking, harassment as well as

slander to destroy the project from becoming successful.

On several occasions I made complaints to my former attorney (Leroy Bobbitt), the legal counsel for the NBA (Britton Sellers), attorney for Tamera Young (Amanda R. Clark Palmer), Principal (Julie Kowitz Margolies) as well as several prospective attorneys whom I have personally sought to represent me in this legal matter.

Please know in one severe case after appearing in court for a TPO, I fled the state of Georgia for fear of my life after Tamera Young appeared.

at a family member's home uninvited, unwarranted and unauthorized.

Over the past two years I have resided in five different states in eager search of safety and refuge from the behaviors of harassment and abuse.

The National Basketball Association have further ignored all of my requests for action further placing my life in danger. This series of negligence have affected my ability to obtain stable employment, housing as well as maintain financial security. In addition, this series of horrific nightmares have increased attacks from the general public and

civilians who seek to harm me out of ignorance. In addition, I am uncertain the mental state of Tamera Young, whom I currently have no protective order against which is another threat to my safety.

As relief and comfort for my pain and suffering, I am requesting:

- 1.) \$500,000.00 (Five Hundred Thousand Dollars)
pain and suffering, wages lost, emotional distress
- 2.) Private Security Services (\$14,000.00 a month)
- 3.) Personal driver & Chauffeur Service (\$16,800.00 a month)

Please know I am not requesting trial by jury; but that my request and grievance is heard before a United States District Court Judge.

Please also note the private security services

Ripple Grove Press

as well as personal driver and chauffeur services are requested for a year (12 months) beginning the next day after a judgement is made in my favor; Both services of which are for me to determine which businesses I prefer. All money, including personal services are to be made by check to Kimberly Bernice Brown.

Good morning Julie -

Please know that I am aware email is not the best form of communication, but request if you may please contact Adam Silver, Commissioner - NBA to request a mediation?

Julie, I was raised in a foundation built on integrity, respect and character, regardless of ones wealth. Recently, I have struggled to regain stability throughout my life and career.

The NBA was the last organization in which I had any professional dealings with, therefore as a professional, I would like to address any concerns which could have affected either of our brands.

As a woman who worked very hard to establish your practice, I hope you understand my position. This support would be most appreciated.

Thank You,

Thank you for the update. As I mentioned in our call, mediation is a voluntary process, which means all parties need to agree to mediate. As we also discussed, were I to approach Ms. Young or her publicist on your behalf, I would potentially compromise my neutrality. However, If she is interested in mediating, I'm happy to speak to her or to whomever else she designates about mediation. Please let me know when and if you get a response from Ms. Clark.

Best,

Julie

Motion

I, Kimberly Bernice Brown, request a motion to reconsider the denial of a permanent protective order to lawfully protect my life from Tamera Yvonne Young in civil action file number 17-1-3732-99. As a law abiding and productive citizen in the United States of America, I humbly ask to appear before the court for reconsideration in the decision pronounced by Judge, Joyette Holmes on Tuesday, June 13th 2017.

I do believe in my heart justice was not properly served and my safety remains at insurmountable risk for severe harm as well as the privacy of my family is still considerably violated in an illegal manner. I ask that you please review the reasons below listed for a request for reconsideration:

- 1.) Respondent (Tamera Yvonne Young) violated the initial TPO order on May 27th 2017 when the Respondent contacted a family member in Cobb County after being served and knowingly aware all communication to cease directly and indirectly. Respondent continued to communicate with my family member Dwayne Newby and/or his wife Patricia Newby. It is to my strongest belief with probable cause that the respondent bribed and/or intimidated the above mentioned family member in an unjust attempt to prevent family member from speaking on my behalf against the Respondent. Furthermore, the violation was not enforced and Respondent was never reprimanded by law enforcement officials.
- 2.) I, Kimberly Bernice Brown, never received nor was served the cross-petition filing by the Respondent, Tamera Yvonne Young, and was completely unaware of these allegations prior to appearing before the judge on June 13th 2017. Allegedly, as stated by the Respondent's attorney in court, the temporary protective order was sent via certified mail to 5274 Miranda Way Powder Springs, GA 30127 - which is the same address of my family member, Dwayne Newby, whom the Respondent has been in contact with via cellular devices. Furthermore, I was not given prior notice that I was going to have to defend myself against Respondent allegations.

- 3.) Respondent attempt to provide evidence with allegations against me also proved to be evidence against Respondent in relation to my petition which states that I have probable cause to believe that the respondent has illegally placed tracking and "snooping" applications on my previous cellular devices to solicit personal information and correspondence in malicious attempts to defame my character as well as place me in very much so reasonable fear for my life.

I, Kimberly Bernice Brown, can attest that all of the above statements are true and I ask that you please see the attached documentations for further evidence.

Over the past six months I have lived in three different states, staying with several family members and now a "safe house" for domestic violence and stalking victims in an attempt to flee from the cruel and aggressive behavior ensued by Respondent, Tamera Yvonne Young. I ask that it is placed to the highest regard of reconsideration that my plea is heard once more as my life depends on it.

Thank You,

Kimberly Bernice Brown

Please note: I am currently seeking representation and will have an attorney appear with me before the judge.

PETITION FOR STALKING TEMPORARY PROTECTIVE ORDER

The Petitioner, pursuant to O.C.G.A. § 16-5-94, hereby files this Petition for a Stalking Temporary Protective Order and in support shows the Court the following:

1. The Petitioner is a resident of **Cobb** County, Georgia and is over the age of 18 years of age. Petitioner's year of birth is 1980, sex female.
2. The Respondent is a resident of Cobb County, Georgia may be served at her residence of **2212 Knoxhill View, Smyrna, GA, 30082**.
3. Between January 2017 and May 11, 2017 the Respondent has knowingly and willfully committed the following acts of stalking under O.C.G.A. §§ 16-5-90 et seq.: Respondent is a former associate of Petitioner's, but for some reason Respondent assumes that they are in a relationship. In December 2016 Petitioner's attorney sent Respondent a cease and desist letter. For a short period of time, Respondent's employment sent her overseas so Petitioner assumed the contact would stop, but Respondent returned and between January 2017 and April 2017 while Petitioner was living in Charlotte, North Carolina Respondent would use her vehicle to follow Petitioner. On one occasion Respondent entered a public library where Petitioner was located and "lurked" nearby. On another occasion, Respondent was seen sitting in her car outside of a bus terminal where Petitioner was arriving. In March 2017 while Petitioner was visiting her brother in Maryland, Respondent was seen near the residence. Recently, Petitioner moved to Georgia, and again on May 11, 2017 Petitioner saw Respondent following her once again. Petitioner believes Respondent has a tracking device on her phone and that she follows her on a regular basis. Petitioner has called the police on multiple occasions after seeing Respondent's vehicle sitting outside of her residence. Respondent calls Petitioner's telephone on a weekly basis in a "pranking" manner. Petitioner is very concerned by the constant contacts and threats. These acts had no legitimate purposes, happened at places other than the residence of the Respondent, were without the consent of the Petitioner, and placed Petitioner in fear for her own safety and/or the safety of her immediate family.

Description of Incident

Provide a description of the incident and how you were victimized. Provide information not captured elsewhere in this complaint form.

My name is Kimberly B. Brown; a professional writer and credible producer. In 2016, I was in a business relationship with the National Basketball Association (NBA) for a television project. At the time of this potential partnership, one of the talent I cast illegally gained access to my email accounts and cellular phone devices tracking my daily communications and correspondence. I was not aware of this illegal activity until there became a constant need for creating new email accounts because of the hackers. It wasn't until recently that I've been able to provide evidence for my case. I am the victim of domestic violence, stalking and I am currently staying at a safe house to avoid any harm or danger. The individual hacked into my newly created email account recently while here at the shelter and the computer at this location is now hacked too. I have the screenshots saved, in addition to the equipment which the director has approved for any law enforcement to confiscate as evidence if need be.

Please help me bring an end to these cruel and unnecessary crimes. It has affected my life, business, livelihood and ability to live freely, not in fear.

Thank You,

Kimberly B. Brown
